

Outdoor Housing for Box Cameras

Outdoor Housing for FCS-1081

The BOH-1100 is an outdoor housing to be used with the LevelOne FCS-1081/FCS-1081A and FCS-1091 PoE IP Cameras and other box cameras.

IP-66 Rated Housing

The BOH-1100 is a box-type outdoor housing and is constructed from die-casting aluminum. The BOH-1100 is manufactured with an IP-66 rated certification to protect the enclosed camera from severe outdoor weather conditions.

Built-in Heater and Fan

It also features a built-in heater and fan that helps regulate the temperature inside the housing. This ensures the camera stays within the operating temperature.

The fan operates between 25°C and 35°C, while the heater operates between 15°C and 25°C.
