

## USB-0202

### Fast and easy connection with USB

The LevelOne USB Net Connector allows you to connect to the internet easily through the built-in port on your laptop or gaming console. Now you no longer need to have an Ethernet connection in order to surf the web. This is an ideal solution for MacBook Air (100% Mac compatible) or other computers that may have wireless built-in but don't come with an Ethernet port. Sometimes you need to physically connect to a network cable to help transfer files or access secure information. USB-0202 easily does the job, all through your USB port.

### Reliable, efficient and standards compliant

USB-0202 is USB 1.0, 1.1, and 2.0 compliant. It also follows the Ethernet standards set by the IEEE 802.3 and 802.3u, allowing you to take advantage of the Fast Ethernet speeds of up to 100 Mbps. This provides a strong backbone for any high-speed broadband connection to the internet as well as fast speeds for the Local Area Network file transfers.

### Also great for the Wii

Not only for laptops or notebook computers, the LevelOne Net Connector will also bring fast internet speeds to your Wii for online gaming with your friends, even if they're miles away!

## Key Features

- High-speed USB2.0, and 1.0 standard compliant
- Powered through USB port with low power consumption
- IEEE802.3 10Base-T , 802.3U 100 Base-Tx standard compliant
- Automatically negotiates 10/100 Mbps connections
- Support Windows 2000/XP/Vista/Mac 10.3,10.4,10.5.
- Support hot-swap and hot-insert

### Technical Specifications

---

#### Network Interface

1\*10/100 Mbps RJ-45 port  
1\*USB type A male connector

#### Power Consumption

5V/180mA typical

#### Standard Compliance

IEEE 802.3 10Base-T Ethernet  
IEEE 802.3u 100Base-Tx Ethernet  
IEEE 802.3x Flow control and back pressure

#### Led

*USB link*  
*Link/Act*  
*10/100Mbps*

#### Physical Operation

Temperature: 0°C ~ 40°C

#### Dimensions:

70mm(W) x 45mm (D) x 26mm(H)

#### Certifications

CE, FCC, VCCI classB

### Package Contents

---

- [1] USB-0202
- [2] CD Manual / Driver
- [3] QIG Manual
